

From the Parkers

Greetings from a very wet South Africa! We are having very unusual weather this month, including much more rain than what is normal for this time of year.

Our God always looks after us, and this was proven yet again in the last week. Our Toyota Avanza performed like a 4x4 on the muddy roads, and Lindsey was able to get to all but one of the crèches on her first visits for the year. We are blessed to have two more volunteers from our church and Dominica, a lady from the village, to help with the visits. All the crèche teachers are keen to join the library again and are excited about the coming year. We will be having our first workshop on Saturday 30 January. We will be painting wooden blocks that the teachers can take back to their own crèches.

Please will you pray for one crèche teacher in particular: She has 8 babies in nappies, and about 25 other children in her crèche, without anyone to help her. Please pray that she will be able to find someone to assist her, and that the parents will pay their fees so that she can pay that assistant.

Unfortunately Richard is still not well and has been resting at home for the last 7 weeks. Richard has an appointment with a physician on the 10th February, and we hope that we will be able to get to the bottom of this. Please pray that God will heal him fully.

Lots of love,

Richard and Lindsey
